Grace Guo, Esq.

Senior Counsel

Grace is a seasoned litigation attorney with nearly ten years of experience representing clients in complex commercial, employment, and high-value civil disputes in various state and federal courts.

She brings nearly a decade of litigation experience in state and federal courts, with a proven track record managing all stages of the litigation process—from case assessment through trial, mediation, arbitration, and appeal—in complex, high-value disputes. She has successfully defended clients in multi-million-dollar lawsuits at both the state and federal level, including securing favorable jury verdicts in high-stakes trials. She is admitted to practice in New York, New Jersey, and multiple federal district courts.

Earlier in her career, Grace clerked for the Honorable Justice Parker of the Alabama Supreme Court, gaining valuable insight into judicial decision-making that continues to inform her strategic approach to litigation.

Representative Matters
