

Eugene Kang, Esq.

Senior Counsel

Eugene advises emerging growth companies, venture capital funds, and strategic investors on venture financings, M&A, and other strategic transactions, with particular experience in the technology sector and cross-border deals.

Eugene's practice covers a wide range of corporate matters, including early- and late-stage venture financings, mergers and acquisitions, divestitures, spin-offs, and joint ventures. He has represented U.S. and international clients in complex transactions across the technology industry and beyond, often involving multi-jurisdictional elements.

Prior to joining ILS, Eugene practiced at two leading international law firms, where he advised private companies and institutional investors on restructurings, equity and convertible debt financings, and M&A transactions spanning diverse industries.
